Evaluation Plan_012617.doc; Radionuclides of concern - EPA comments.docx

Dear Karla and Jana,

Thank you for writing up your comments on the Navy's RTCs & redline for the Workplan.

Dear David and Lyndsey,

Thank you for participating on the Tues call w/Navy. Do you have anything to change/add? For your convenience, I have attached the Navy's RTC's and redline revised draft.

In addition, I have drafted the attached comments on the contractor's presentation on RoC's based on my notes from the call and a separate call with Karla afterwards. She will be reviewing it. I also sent it to the State, since Tracy has a lot of historical knowledge too.

Please give me any input on these so we can package for my boss to sign and send to Navy. I told them early next wk. They asked for earlier.

Thanks!

- Lily
